5.5.2. FDI CSI Production and Manufacturing

5.5.2.1. Production and Manufacture

The screenshot shows the 'Detail of Products during reporting period' page. At the top, there is a header for the Ministry of Industry, Commerce and Employment, Department of Industry, Industrial Information System. A sidebar on the left contains navigation options like Notifications, Industry Profile, Data Submission, and Production And Manufacture. The main area features a table with columns: Year, Name of Finished Product (s), Units, Quantity Produced, and Action. The table is currently empty, displaying 'No data available in table' and 'Showing 0 to 0 of 0 entries'. A '+ Add New Product' button is located in the top right corner. Below the table are buttons for 'Save Data', 'Save & Next Data', and 'Cancel'.

New Product

This screenshot is identical to the previous one, but a red box highlights the '+ Add New Product' button in the top right corner, with a red arrow pointing to it.

Production and Manufacturing Details Add

The screenshot shows the 'Production and Manufacturing Details Add' form. It includes the following fields: 'Year' (with '2023' entered), 'Name of Finished Product (s)' (with 'Enter Name of Finished Product (s)' as a placeholder), 'Quantity Produced' (with 'Enter Quantity Produced' as a placeholder), and 'Unit' (with a dropdown menu showing 'Select unit'). At the bottom, there are 'Add' and 'Cancel' buttons. A '← Back' link is visible in the top right corner.

Other Unit

The screenshot shows the 'Other Unit' form. It includes the following fields: 'Unit' (with a dropdown menu showing 'Others') and 'Name Of Other Unit' (with 'Enter Name Of Other Unit' as a placeholder).

Detail of Products during reporting period

The screenshot shows the 'Detail of Products during reporting period' page after data has been added. A green notification bar at the top says 'Data Saved Successfully'. The table now contains two entries:

| Year | Name of Finished Product (s) | Units | Quantity Produced | Action |
|------|------------------------------|-----------------|-------------------|--------|
| 2023 | Product One | Nos | 200 | ⋮ |
| 2023 | Product Two | Others (Unit 1) | 400 | ⋮ |

The table is followed by 'Showing 1 to 2 of 2 entries' and 'Previous 1 Next' navigation. A '+ Add New Product' button is in the top right. At the bottom, there are buttons for 'Save Data', 'Save & Next Data' (highlighted with a red box and arrow), and 'Cancel'.

Industry Information System Manual

5.5.2.2. Product Sales and Markets

The screenshot shows the 'Products Sales and Markets' dashboard. On the left is a navigation menu with options like 'Industry Profile', 'Data Submission', 'Production And Manufacture', 'Sales Made And Markets', 'Raw Material', 'Employment', 'Training Record', 'Training Required', 'Financial Information', and 'Tax Contribution'. The main area features a table with the following data:

| Year | Type of Products | Units | Country of sales | Quantity | Value of sales (Nu. in millions) | Action |
|------|------------------|-----------------|------------------|----------|----------------------------------|--------|
| 2023 | Product Two | Others (Unit 1) | Select Country | | | ⋮ |
| 2023 | Product One | Nos | Select Country | | | ⋮ |

Buttons at the bottom include '+ Add Data', 'Save Data', 'Save Data & Next', and 'Cancel'. A search bar and 'Excel' link are also present.

New record for Product Sales and Markets

This screenshot is identical to the previous one, but a red arrow points to the '+ Add Data' button in the top right corner of the dashboard.

Products Sales and Markets Details Add

The 'Products Sales and Markets Details Add' form contains the following fields:

- Year: 2023
- Type of Products: Select product
- Country of sales: Select Country
- Quantity: Enter Quantity Sold
- Value of sales (Nu. in millions): Enter Value of sales (Nu. in millions)

An 'Add' button is located at the bottom of the form.

5.5.2.3. Raw Materials

The screenshot shows the 'Raw Materials Consumed' dashboard. The table is empty with the message 'No data available in table'. The table structure is as follows:

| Year | Details of Raw Material (RM) | Units | Raw Material Source of country | Quantity | Value of raw materials (Nu. in million) | Action |
|------|------------------------------|-------|--------------------------------|----------|---|--------|
|------|------------------------------|-------|--------------------------------|----------|---|--------|

Buttons at the bottom include '+ Add Data', '+ Add Bulk Data', 'Save Data', 'Save & Next Data', and 'Cancel'. A search bar and 'Excel' link are also present.
